

# Call for Presentations

Elevate: The 2019 Regional Outreach Worker's Conference - *Advancing to the Next Level*

**August 1 – 2, 2019**

O'Connell Hall  
Catholic University  
Washington, DC

Are you looking for an opportunity to present about the great work of your Community Health Worker or outreach program? We want to hear about exciting and innovative programs and activities that you have led or participated in that can be shared with other outreach workers to strengthen the quality of work and better respond to the needs of our community.

Submit your project or idea for presentation at our round table discussion session during lunch on the 2nd day of the conference. If selected, each presenter will be expected to prepare a 5 to 10-minute presentation about their project.

## **Round Table Presentation Details:**

- Friday August 2, 2019 12:30 – 1:30 PM (lunch)
- Each presenter will sit at one table and will prepare a 5-10-minute description of their topic. There will be no laptops provided so slides are not necessary nor are handouts (however, if you choose to you may bring both a laptop and handouts)
- Attendees will visit multiple tables during this time and each session will last 15 minutes, so presenters should expect to present their topic about 3 times.

## **Submission requirements:**

Provide a brief description of the program/activity. Please include: 1. Reason the activity was/is needed 2. Description of the activity 3. Impact on the community 4. Lessons learned

- One page no more than 300 words
- Submit with completed attached Presenter Contact Form

Submissions can cover the following topics:

- Description of CHW program
  - Goals of the program
  - Need addressed by the program
  - CHW's Role
    - Roles and responsibilities
    - How does the CHW contribute to improving health outcomes
    - Highlight any successes
    - Describe challenges and solutions to those challenges
  - Program's outcomes/impact on the community
- Participation in policy and advocacy efforts on behalf of community health workforce
  - What was the targeted policy or goal of advocacy
  - What was your role
  - What was your/your group's strategy or actions taken
  - What was the outcome
  - Highlight successes, challenges, or lessons, learned
- Other topic areas will be accepted as long as they highlight the work of community health and outreach workers. This can be broad or a specific case study.
