

Prince George's County Food Rescue

Using technology powered by Food Rescue US, Prince George's County Food Rescue reduces hunger and food waste through direct-transfer food rescue.

HOW IT WORKS:

FOOD DONORS
Businesses can donate surplus food to local organizations/ "receivers."

FOOD RESCUE VOLUNTEERS
Volunteers pick up surplus food from donors and deliver it to receivers.

FOOD RECEIVERS
Receivers accept high-quality, surplus food and distribute it to residents in need.

Prince George's County Food Rescue

Utilizando la tecnología de Food Rescue US, Prince George's County Food Rescue (el programa del rescate de alimentos del condado de Prince George) reduce el hambre y el desperdicio de alimentos por medio del traslado directo de alimentos.

COMO FUNCIONA:

DONANTES DE ALIMENTOS

Los negocios pueden donar comida sobrante a organizaciones locales/"recipientes".

SALVADORES DE ALIMENTOS

Los voluntarios recogen la comida sobrante de los donantes y la entregan a los recipientes.

RECIPIENTES DE ALIMENTOS

Los recipientes reciben comida sobrante de alta calidad y la distribuyen a la gente necesitada.
