

RACIAL & HEALTH EQUITY 101: WHAT AND WHY CHWS NEED TO KNOW!

> REGISTER HERE

APRIL 26, 10 A.M. TO NOON

Don't miss out on this month's informative and essential training!

Gain a basic understanding of racial and health equity, social determinants of health, and the role of CHWs in addressing social justice to eliminate health disparities.

COURSE OBJECTIVES

- Define key terms related to diversity, equity, and inclusion
- Describe the origins of race in the U.S. and its impact on current systems
- Explain the distinctions between disparity, inequity, equity, equality, and more
- Describe the role of culture and identity in health outcomes
- Define disparities and social determinants of health (SDOH)
- Explain the CHW's role in addressing SDOH

This training will be presented and facilitated by IPHI's Dwyan Monroe.
