

MIGRANT FAMILY ASSISTANCE AND RESPONSE

<https://bit.ly/4736EM8>

REGISTER

Learn how to:

- Assist migrant families with access to resources, shelters, and unification services
- Use best practices to assist children, elderly people, people with disabilities, and pets and service animals

Nov. 21 | 1-3 p.m.

As migrant families enter the United States undocumented, they may face several challenges such as language barriers, difficulty in locating resources, and lack of awareness about available resources. This course is a community outreach and public health response aimed at assisting such families and individuals get situated.

This training is supported by the Centers for Disease Control and Prevention (CDC), together with the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of awards totaling \$4,339,895 and \$3,000,000, respectively, with 0% financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by CDC, HRSA, HHS, or the U.S. Government.
